Ashes

Verse One

I'll wait for you
I'll wait until its true
I'll hide behind shy eyes
Will I come through for you

Chorus

My house is burning down
Will you stay around
to catch the ashes as they fall
did I ever have you at all?

Verse One

I'll wait for those beautiful ways
I'll wait to meet your gaze
I'll hide behind shy eyes
Will I come through for you?

Chorus

My house is burning down
will you stay around
to catch the ashes falling down
will your lips make a sound?

Silver City Lights

Verse One

I'm so lonely here;
Don't I show it with my tears?
I've got nothing left to stay for
I've got no reason to be here

Verse Two

And I pray to God at night
I pray that it might
I'm too tired to stay here
To tired of this fight

Chorus

So I'll run away and leave here
To the silver city lights
Maybe I'll find my happiness
Maybe it'll be alright
I'll run away and leave here
Into the silver city night
Maybe I'll find an angel
We'll hold each other tight

Suddenly

Verse One

Suddenly, everything is wrong
The world I know is gone, is gone
Suddenly, everything I see
Is taking hold of me, of me

Chorus

You always are
You always are

Verse Two

Suddenly, the lights are blinding now
Just look outside at how, at how
All those thing I should have sung
All those fights that went un-won

Chorus

You always are
You always are
You always are
You...

Verse Three

Suddenly, everything is wrong
The world I knew is gone, is gone
Suddenly, everything I see
Is taking hold of me, of me
Suddenly, the world I use to know
Is looking kind of old, of old
Suddenly, everything I see
Is letting go of me, of me

Chorus

You always are
You always are
You always are
You always are

Play

Verse One

Such a pretty afternoon
I want to spent it all with you
Such a pretty afternoon
I want to play all day with you

Verse Two

The sharks in your swimming pool look hungry
Oh no! What did they say?
The sharks in your swimming pool look hungry
But together, we'll fight them off

Verse Three

Such a pretty afternoon
I want to spent it all with you
Such a pretty afternoon
I want to play all day with you
